Parent meeting to discuss Estyn revisit

- A huge thank you to the many parents and carers who joined the staff, local authority officers and Central South Consortium officers for the meeting to discuss the outcomes of the recent Estyn revisit.
- Like I have previously mentioned, the whole school staff and the governing body, whilst disappointed at the Estyn outcome recognise the changes that are required and continue to be fully committed to working together in order to make the changes.
- We will continue to regularly share with you the progress that we are making towards each of the recommendations through our newsletters and school website.

Parking outside the school gates

Please can I remind all parents NOT to park in front of the school gates when they are closed at the start and end of the school day. Can I also ask that when you are dropping your children off in the morning that you do not stop at the junction outside the Life Centre to allow your child to disembark. Please park safely in a parking bay.

The top gate

The top gate will be closed to ensure the school site remains secure at all times. Access to the school will be through the three gates at the front of the school. I am sure you will all support our decision to ensure the continued safety of all of our pupils.

Enjoy your weekend
