Dear Parent / Guardian

Our Welcome Pack

Thank you for showing an interest in our school. In this pack you will find lots of different information about us. Our home school agreement is included, as well as admission forms and parental consent forms, to give you a full flavour of what we are all about as a school. We pride ourselves in the way we celebrate the fact that we live in Wales and promote the use of Welsh. Nevertheless, there is nothing like having a tour of the school and meeting our staff and the children. If you would like to do this please do not hesitate to contact us to make an appointment. We operate the Bridgend County Borough Council's admissions policy and therefore we can assist you if you choose to apply to our school.

We have very high levels of security in operation around the school. External and internal cameras are on 24 hour monitoring and many of the external doors are alarmed even during the school day. For this reason please would you report to the main reception when visiting.

No jewellery is allowed in school except for a wrist watch and stud earrings. Please make sure that your child can remove these independently for PE sessions.

It may be that after reading this pack there are things you wish to discuss further about our school. If, for instance, parents wish to withdraw their children from some or all of our religious education, collective worship or sex education programmes, I would be more than happy to discuss this with you so that alternative arrangements can be made. It may be that your child has special educational needs or disabilities that you would wish to discuss with our Special Educational Needs Team. Our building is designed to be accessible to all and our aim is to ensure that your child's start in our school is as smooth as possible.

We are here to help at any time.

Yours sincerely,

Mrs V Thomas
