As part of our Rights Respecting journey, this month we will be focussing on Article 29 'To be the best we can be'.

Covid-19

Under no circumstances should pupils attend school if they:

- Feel unwell
- Have a new continuous cough
- Have a high temperature
- Lose their sense of taste or smell

Please inform the school as soon as possible, isolate your child and book a PCR test.

On Tuesday we were fortunate enough to meet the incredible three-time Olympic and two-time world champion, Helen Jenkins. Helen explained to Year 6 how much she had to train, how exciting and nerve racking going to the Olympics is.

Helen is a Triathlete which consists of a swim, bike ride and a run. It is particularly inspiring to learn that she trained locally; she swam in Ynysawdre and cycled over the Bwlch.

By Jake Davies
Class 13.
